

## OCMS Young Adult Permission Slip

The purpose of this letter is to inform you that the OCMS media center houses a Young Adult collection of books. These books may contain material which has one or more of the following:

- Mature subject matter
- Language
- Violence

The books we mark as Young Adult are recommended for readers between 9<sup>th</sup> – 12<sup>th</sup> grades. We are not encouraging students to read Young Adult books. However, we have many students who frequently request these titles and we would like to meet their needs. Since you are responsible for your child's reading selections, we urge you to become familiar with OCMS's media center collection to assist your child in choosing appropriate materials.

If you prefer that your child's borrowing privileges **not** include Young Adult, you do not need to do anything.

If you wish for your child to be able to check out Young Adult books, ***your signature is required.*** Please sign and return this form to the media center. This will remain on file during the duration of your student's OCMS career.

I give permission for \_\_\_\_\_ to check out Young Adult books from the OCMS media center. I understand that these items may contain material which has mature subject matter, language and/or violence.
