383	Yes	Why, why, why in this period of NTI when we are learning how well online meetings can facilitate school-to-home interactions are we discussing parent support meetings in such old terms as "face-to-face" meetings? Why are we trying to figure out convenient times, transportation, and childcare? Eliminate those issues. Take advantage of the tech already being use with students. For goodness sake, get with the program and provide these via online meetings. And record the meetings and make them available for playback at a later, more convenient time, so EVERYONE can benefit from the efforts and conversations.	6/21/2020 23:08	South Oldham Middle School	Strongly Agree	Neutral	Disagree	Agree	Strongly Agree	Strongly Agree	Agree	Agree	Strongly Disagree	Strongly Disagree	Strongly Disagree	Strongly Disagree	Disagree	Strongly Agree
